## 4. SAFER RECRUITMENT

---

Lee Hub Trustees are responsible for a robust recruitment policy. This includes the following:

- A Disclosure and Barring Service (DBS) check will be sought for all volunteers as part of their normal duties and responsibilities. This will be undertaken via a Government approved umbrella company (agreed by the Board) on behalf of Lee Hub, even if the volunteer holds a valid DBS certificate obtained elsewhere.
- DBS checks and references will be taken up in writing prior to any formal offer of appointment as a trustee.
- All trustee appointments will be conditional until the following are completed and satisfied:
  - Written application including, CV submitted and on file
  - A face-to-face interview with comprehensive interview notes filed
  - Two references checked
  - Enhanced DBS check

Where a trustee or volunteer is suspended from duties as a result of gross misconduct involving abuse or a safeguarding allegation, the Chair of trustees will make a referral to the Independent Safeguarding Authority.

Visitors, contractors or sub-contractors funded by or on behalf of Lee Hub are responsible for applying for appropriate checks on their employees/volunteers and that their staff comply with their own safeguarding procedures and are made aware of the Lee Hub policy. They are also responsible for informing relevant Lee Hub Trustees of any concerns they encounter in relation to safeguarding issues.

## 5. PROCEDURES FOR REPORTING

---

All Lee Hub Trustees and volunteers who have concerns are responsible for implementing these policies & procedures, and every allegation will be taken seriously. The Designated Safeguarding Trustee will not investigate the allegations but will talk through the concerns with a professional advisor at Gosport Borough Council.

### 5.1 HEADLINE REPORTING PROCEDURES

If volunteers have a concern, they should undertake the following action:

- Volunteers who have such concerns or who have witnessed abuse should report this as quickly as possible to the Designated Safeguarding Trustee. If the Designated Safeguarding Trustee is not available, the incident should be reported to the Chair of Trustees.
- If the volunteer has significant concerns for the immediate safety of a child or vulnerable adult they should contact the police using 999 and then follow this up with the Designated Safeguarding Trustee (or Chair of Trustees).
- Customers who have reported or alleged an incident should have their details written into the contact form and passed to the Designated Safeguarding Trustee.
- All those alleging or expressing concern about abuse should be re-assured that their concerns will be taken seriously and that they will be informed of the outcome.
- All alleged incidents will be followed-up by the Designated Safeguarding Trustee who will work with the relevant authorities.

### 5.2 SPECIFIC REPORTING PROCEDURES

Where the disclosure to a trustee or volunteer is from a child (under 18 years of age) the following procedure must be followed:

- **Do Not** interview the child or young person. However, you may ask them to clarify what they have told you to ensure you have clear information and understand the concern.
- Reassure them that by coming forward they have done the right thing.
- Inform them that we must pass the information on, but only to those who need to know..
- Make a detailed note of the full date e.g. 5<sup>th</sup> June 2012, time, place, what the child said and did and the questions asked of the child using the contact form.

- Immediately inform the Designated Safeguarding Trustee who will follow-up the disclosure with the appropriate authority.
- Where there is immediate danger or physical injury emergency services (999) should be contacted immediately.

Where the disclosure or suspicion is by a vulnerable adult the following procedure must be followed:

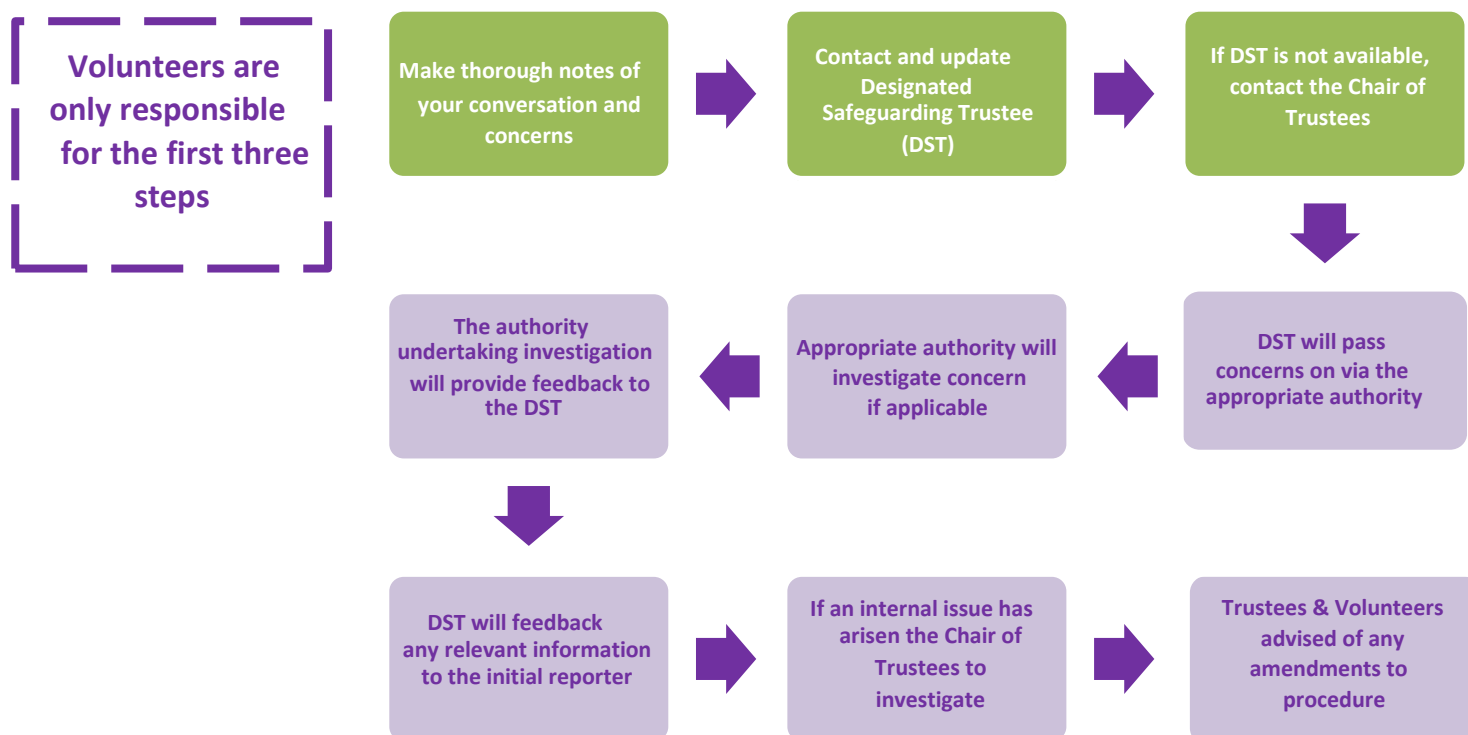

- Talk to the person and **gain their consent** to take action to protect them from further risk. Where consent is not given, this will need to be approached sensitively. It will need to be explained to them that the information will be passed to the Designated Safeguarding Trustee but that their objection to the referral will be conveyed.
- **Do Not** interview the person. However, you may ask them to clarify what they have told you to ensure you have clear information and understand the concern.

## 6. DATA AND INFORMATION

---

### 6.1 DATA PROTECTION AND INFORMATION STORAGE

All copies of the Safeguarding contact referral form and any other relevant documents or records (e.g. telephone calls, CCTV information, etc.) relating to the incident will be securely stored within Lee Hub systems. This information will be retained in accordance with data protection periods and retention guidelines. Lee Hub Data Protection Policy is available to Lee Hub trustees and volunteers.

Information relating to a trustee or volunteer will be retained in electronic personal files, overseen by the Trustee Secretary.

Access to safeguarding records will be on a needs-only basis.

## 6.2 CONFIDENTIALITY AND INFORMATION SHARING

Confidentiality is a key issue in Safeguarding but a person's safety is more important than the privacy of another person. Sometimes sharing information is necessary to establish the level of risk to a child or vulnerable adult. Information that needs to be shared will be done sensitively with relevant agencies only.

Lee Hub is signed-up to the principles of the local Safeguarding Boards in Hampshire.

## 6.3 SHARING CONCERNS WITH PARENTS AND CARERS

Information obtained about individuals should usually be shared with them unless sharing the information would likely result in serious harm to the individual, a child or another person, or the information relates to a third party who expressly indicated the information should not be disclosed. For example, where a parent/carer may be responsible for the abuse or not able to respond to the situation appropriately.

In all cases, decisions about withholding information will be made by the Designated Safeguarding Trustee after receiving guidance from professionals.
